To: Assistant Director, OCD *just*

From: Chief, Machine Methods Branch

1. Forwarded for information.
2. A copy of this report will be furnished to the Services Officer, CIA, who is the Contracting Officer.
3. It is suggested that invitations to witness the demonstration of the scanner and recorders be issued when the equipment is set up and ready for demonstration in order to avoid the necessity to amend the invitation if unforeseen circumstances should delay the demonstration date. The equipment will be retained here until all those interested in the equipment have had an opportunity to witness the results.  will be present to answer questions.
